

## GLOBAL ACCESSIBILITY STANDARD UNE 170001-2 CERTIFICATIONS

To date, we have achieved Global Accessibility Standard UNE 170001-2 certifications at ten operational shopping centres however, some of them are no longer part of our investment portfolio (marked as \* in the list below) and some are no longer certified (marked as \*\*).

As of 31 December 2019, two of our retail real estate assets have a Global Accessibility Standard UNE 170001-2 certification.
