

## ISO 14001 & OHSAS 18001 CERTIFICATIONS AT CONSTRUCTION SITES

As of 31 December 2019, 27 Sonae Sierra construction sites (including expansion works) had achieved an ISO 14001 certification, and 11 construction sites had achieved an OHSAS 18001/ISO 45001 certification.

The list below also includes some shopping centres which have since been sold or are now owned by Aliansce Sonae and not directly owned and managed by Sonae Sierra (\*), and two office buildings (\*\*), both of which are no longer owned by Sonae Sierra.
